

Do you want to save money, the environment and still be a member of NCSM? Consider an Electronic Membership. You will receive all materials and communications electronically.

### **About NCSM**

When you become an NCSM Electronic Member, you join a network of leaders in mathematics education from around the United States, Canada, and abroad, which works to ensure every student in every classroom has access to effective mathematics teachers, relevant curricula, culturally responsive pedagogy, and current technology.

### **Why should you join NCSM?**

With an Electronic Membership, you will receive all of NCSM's current materials including the Journal of Mathematics Leadership, NCSM Position Papers, and the NCSM Newsletters electronically.

NCSM also provides:

- Access to the Members Only website
- A connection to a collegial network of active, passionate, committed, influential educators
- Opportunities to participate in NCSM professional development activities.
- Assistance from your Regional Director.
- Notices of the Annual Conferences

The fee for an Electronic membership is \$70 per year.
