HARTFORD, CT 06120**

## IF YOU ONLY HAVE ONE DAY TO SPARE FOR YOUR PROFESSIONAL GROWTH, SPEND A DAY WITH NCSM.

Seminar presenters actively engage participants and guide them through adaptable research-informed practices, strategies, models, and concepts that effective mathematics education leaders need to know and integrate into their work. Leave the seminar with practical and inspired ideas and actions that will prepare you to lead and support others throughout the year.

## FALL SEMINAR FEATURES

- Our focus will be to help each participant become the agent of change and improve student achievement in mathematics through the vehicle of classroom and district coaching.
- You will learn research-based strategies using expert resources in mathematics coaching.
- We will work with you as you develop a plan for your district site with your team (or individually) with ready-to-use resources.
- You will network with leaders from other regions, states, and countries.
- The Fall Seminars are held one day prior to NCTM Regional Conference and are located this year in beautiful Hartford, CT or Seattle, WA.
- You will enjoy continental breakfast and lunch provided the day of the seminar.
- We invite you to join us for registration and breakfast starting at 7:15am.

Join other mathematics leaders to impact the development of effective mathematics teachers in a time of change through the lens of coaching.

**THE 2018 NCSM FALL SEMINAR REGISTRATION IS LIMITED BASED ON AVAILABLE SPACE.**
