Identify your score for each learning target.

Learning Target	Score	Circle One
I can graph a system of linear equations.		Got It! Still Learning It
I can solve a system of linear equations and explain my reasoning.		Got It! Still Learning It
I can determine when a system of linear equations has one solution, no solutions, or infinitely many solutions.		Got It! Still Learning It

Answer each question.

What have I learned?

What do I still need to learn?

What is my plan to still learn?
