

Equity in Action: Leveraging Your Sphere of Influence

Summer Leadership Academy 2022 Agenda

June 27-29, 2022

Essential Questions:

How will we **ensure equitable practices** through instructional leadership and coaching in order to improve student access and achievement in mathematics?

- **For students** - How will we **Advocate** for equitable practices to increase student access and achievement for each and every learner?
- **For teachers** - How will we **Empower** teachers to leverage a shared vision focused on equity for mathematics instruction and build collective efficacy with content and pedagogical knowledge?
- **For leaders** - How will we **Design**, implement, and **Monitor** structures to ensure equitable practices at the classroom, school, and systemic levels through instructional leadership and coaching?
- **For All** - How do we challenge unproductive beliefs in order to strengthen student identities and improve student outcomes?
