

Culturally Relevant Mathematics Leaders: Empowering Students through Culturally Relevant Practices

Empower and Advocate

Virtual Seminar 2 Agenda

February 8, 2023

Bold leaders empower students, teachers, and communities through culturally relevant leadership practices.

Learning Targets:

- I can build a shared understanding of positive self efficacy and identity for ALL students.
- I can cultivate a culture for continuous improvement while building cultural competence.
- I can incorporate student, family, and community voices in our plan to provide culturally relevant mathematics instruction.
