

Culturally Relevant Mathematics Leaders: Designing Culturally Relevant Tasks

Design and Advocate

Virtual Seminar 1 Agenda

November 9, 2022

Bold leaders ensure students see themselves in instructional tasks & classroom activities.

Learning Targets:

- I can explain why culturally relevant teaching practices are important for high-quality, equitable mathematics teaching and learning for every student.
- I can identify the process for creating or revising math tasks to be culturally relevant.
- I can identify culturally relevant teaching practices to incorporate into my vision and action plan.
- I can design structures that support implementation of culturally relevant tasks in my school/district/organization.
